Remarks

Note: Remarks are not for responding to an office action.

Nothing herein, including the submission of the documents themselves, whether in this or any other filing, constitutes an admission by Applicant that any of the documents is prior art with respect to the present invention, or a waiver of any rights of Applicant. Indeed, while each citation includes a date, it should be understood that, whether expressly stated or not, the date specified in the citation is a date as alleged by the document or otherwise, and Applicant neither admits nor denies the correctness of the specified date at this time. Moreover, with regard to non-patent documents, Applicant neither admits nor denies that each document submitted is, in fact, a publication within the meaning of 35 U.S.C. 102.
